### **Medicaid Provider Enrollment Portal Update and Requirements**

Any providers who have not completed enrollment by June 30, 2023 will be deactivated and have their patients assigned to another primary care physician and will be terminated from the program. However, the Provider Enrollment Portal will remain open for providers who failed to enroll but wish to complete an application at a later date.

#### **Enrollment Status**

Providers who are unsure of their enrollment status or want to check the status of admitting, ordering, referring and prescribing providers, may use the Provider Portal Enrollment Lookup Tool at <https://www.lamedicaid.com/portalenrollmentstatus/search>.

Please review [IB 22-38](#) for full details.
