Subject: Intellectual and Development Disabilities (IDD) eLearnings

Summary: AmeriHealth Caritas Louisiana is pleased to offer three trainings on Intellectual and Development Disabilities (IDD).

Service systems at all levels face challenges providing quality care to individuals diagnosed with IDD who also have behavioral health challenges. Compounding the issue is the fact that people with IDD are statistically more likely to suffer traumas that make behavioral health conditions more likely.

In an effort to bolster service offerings to this population, AmeriHealth Caritas Louisiana is offering three IDD eLearnings to our network providers at no cost. The courses are located at the following link on our website: <https://www.amerihealthcaritasla.com/provider/training/index.aspx>

- Scroll to the bottom
- Look for Intellectual and Development Disabilities (IDD) eLearnings
- The trainings are linked below the header
 1. Assessment and Diagnosis of Behavioral Health Conditions for Individuals with IDD
 2. Introduction to IDD and Behavioral Health for Unlicensed Clinical Staff
 3. Modifications for Evidenced-based Practices and Treatment for Individuals with IDD
