Subject: [Informational Bulletin 24-1](#): 2024 Healthcare Common Procedure Coding System (HCPCS) Update

Informational Bulletins that summarize policies and/or procedures are intended for quick reference and are accurate on the date they are issued.

2024 Healthcare Common Procedure Coding System (HCPCS) Update

Several fee schedules (e.g., DMEPOS, Professional Services, Laboratory, and Radiology, etc.) on the Louisiana Medicaid website will be updated as they may contain discontinued and/or manually added new codes. Providers are encouraged to monitor lamedicaid.com for future announcements associated with the full implementation of the 2024 Healthcare Common Procedure Coding System updates.

Accordingly, AmeriHealth Caritas Louisiana will update our claims system to include newly added procedure codes and expired recently deleted procedure codes for the 2024 plan year as Louisiana Medicaid's fee schedules are updated and claims will be recycled where appropriate.

AmeriHealth Caritas Louisiana will provide updates throughout this process for provider awareness.

Please review [Informational Bulletin 24-1](#) for more details.
