Care Gaps Response Form

The Care Gaps Response Form functionality allows providers using the NaviNet portal to enter Care Gap resolution data online. This data will be captured and stored along with any supporting documentation. . Providers will be able to retrieve and report on specific Care Gap changes. Verified Care Gap resolution updates will be applied in real-time within NaviNet to prevent Care Gaps from continuing to appear as alerts.

Before You Begin

- 1. NaviNet Permissions Contact your NaviNet Security Officer to confirm proper access and to enable Document Exchange.
- 2. Filter by Providers for Optimum Access

You can view and access documents submitted by all providers associated with your office, or you can specify a list of providers whose documents you prefer to see. You can save this list of providers to be used by default anytime you access the Patient or Practice Document dashboards. To learn more about your access options, please log into NaviNet and visit https://support.nanthealth.com/health-plans/navinet-open/user-guide/provider-filter.

Log-In to NaviNet

- 1. Open your Internet browser.
- 2. Go to <u>https://navinet.navimedix.com</u>.
- 3. Log-in to NaviNet by entering your **Username** and **Password** and then clicking **Sign In**.

Toolbar

- The top left side of the toolbar allows you to toggle to the full screen view.
- The top right side of the toolbar has an option that allows you to mark the current document as unread.

Current Document

- This section on the left side of the screen will allow you to view information such as:
 - Health Plan that sent the document
 - o Document title
 - Document category
 - o Line of business
 - o Document name
 - $\circ \quad \text{Received and expiry dates} \\$
 - o Documentation routing
 - o Tag information
- You can expand the window to see any hidden information.

Documents

- Located mid-left screen is the documents section. This section allows you to view and enlarge the selected record by clicking on a document row link.
- Unread documents are highlighted with a blue bar and text.
- Documents for which a response is required are marked with a red exclamation point.

You can click on **Patient Clinical Documents** under the **Workflow** tab to see the list of patients with documents available for you to work.

You can select any patient's name to open the **Care Consideration Detail** screen (below) for that patient.

The **Care Consideration Detail screen** will display all the Care Gaps for the selected patient as of the last month's load. You can see the patient's information, PCP (your) information, and Care Manager's name and number. If no Care Manager is assigned to the patient, you will see a phone number to call to participate in the "Let Us Know program" and receive support with reaching the patient.

Please respond to all the Care Gaps listed in the **Response required** section by clicking **Resolve Care Gaps**. This opens the **Care Gap Response Form** in a new pop-up window.

Any Care Gaps appearing in sections other than **Response required** are informational only.

Completing the Care Gap Response Form

Select the Care Gap to work by checking the box to the left of the Care Gap. Depending on the Care Gap type, you will be prompted to verify service delivery or request an exclusion.

You will be required to enter the **Date Complete** to confirm the service delivery, and you can add the **Result**, if appropriate. The **Result** field is not mandatory. To verify the service delivery for a specific Care Gap you will be required to attach one of the documents listed.

Note that:

- You may attach a maximum of two documents.
- The size of each document must be 3 megabytes (3 MB) or less.
- Accepted file formats are .jpg, .pdf, and .doc.

Reviewing the Status of a Care Gap

Once you have submitted the **Care Gap Response Form**, a Quality Reviewer from our team will review the information provided and return a status of Approved or Rejected based upon the attached documentation. Once the Care Gap Response has been approved, the record or alert will no longer appear in your queue. Any approved record will move to the "up-to-date" section in the **Care Consideration Screen** for that member, while rejected responses will show Rejected in the **Response** column.

The Care Gap status can be reviewed in the **Response** column of the **Care Consideration Detail** screen. This field will display one of the following:

- Saved/not submitted: You have saved your response but did not submit it yet.
- Submitted: You have completed all necessary steps and submitted the information.
- Response Required: You have not yet responded to the Care Gap.
- Rejected: Your response has been rejected by the Quality Reviewer.

	Diabetes Microalbumin	Overdue	12/01/2014	Result 7	\sim	At least once every 6 months

If your Care Gap Response is rejected:

- You will see a new alert in the **Activity** tab in NaviNet.
- On the **Care Consideration Detail** screen for that patient, you will see the status in the **Response** column as **Rejected**.
- Once in the **Care Gap Response Form**, select the rejected Care Gap and read the Quality Reviewer's notes before resubmitting your response.
- The notes grid in the form will include all previous comments related to the Care Gap from both you and the Quality Reviewer.
- You can click **Resolve Care Gaps** to work that Care Gap again.

The Care Gap will not be removed from your list until approved by the Quality Reviewer.

Important Notes

- Once the Care Gap Response Form has been completed you can choose to **Submit** or **Save for now**. Responses saved for now will remain active for 30 days only.
- Avoid clicking on the **Appian** logo on the **Care Gap Response Form** as this will cause the the screen to auto-refresh.

Important Notes

The **Care Gap Query Report** displays the complete data set for Care Gaps by default. The following reports are sub-sets of the **Care Gap Query Report**. All of these reports are read-only.

- HEDIS Improvement Query
- Member Alert Standalone Care Gap Request

Single Care Gap QueryEach of these reports displays the following columns:

- Provider ID
- Member ID
- Date of Birth
- Member Information
- Service, Status
- Rule of Frequency
- Last Service Date
- Care Gap Update Status

Access Care Gap Information via the Member Clinical Summary Report

Log-in to NaviNet and select a health plan. Select Eligibility and Benefits Inquiry option.
